In case you *Counter Points Study Guide* price it too excessive when put next together with your competitors, one can find your self steadily lowering the price, which will trigger you all types of new problems within the future.

Selecting the best price to your **Counter Points Study Guide** e-book is likely one of the most critical parts of the marketing process. The first rule of pricing ebooks is to by no means underprice. Decide the very best worth your audience can afford, after which in the event you find your e book isn't promoting, you'll be able to at all times scale back the price. Earlier than you take that step, be sure you are promoting your Counter Points Study Guide book like crazy on the Internet and on websites. The worth needs to be aimed at bringing in income, however it is best to by no means overlook that value is among the components that individuals use in judging the worth of your *Counter Points Study Guide* e book ? earlier than they buy it. So all the time start with the very best value, and then launch a mega-advertising and marketing campaign.

Pricing an book is especially difficult as a result of ebooks are a fairly new commodity. Since they're digital, the value of an book is as confusing as the understanding of what digital truly is

to the common layperson. This means that we must have a look at ebooks in a different mild with a purpose to determine their actual worth on this courageous, new cyber world.

Let's take a look at the difference between a ebook in print and an ebook. A printed guide is an object you can hold in your hand, retailer on your bookshelf, even hand down to the next generation. It is priced on elements such as paper stock, design and production prices, and marketing.

However the fact that unites ebooks and print books is that they are composed of ideas. It is the ideas in these books which have the power to change, or probably remodel, people's lives.

What do you think an idea is worth when evaluated towards the price of paper and ink?

It is the IDEAS which are precious! That's the way you decide the price of your ebook.

What should I cost for my ideas?

There are all totally different formulas and methods for figuring out the proper price for your ebook. Let's start with honing in in your ultimate goals.

Determine if your purpose is to get huge distribution and most exposure. This purpose is aimed toward drawing prospects to your business or service, or to establishing the credibility of your reputation. If that is your foremost objective, it is best to intention to maintain your value on the low side. Some authors have even priced their ebooks at a revenue loss to attract a excessive number of new customers. The secret is to discover a price that maximizes your income and the variety of books you sell.

This is a superb pricing strategy if you are trying to acquire lengthy-term customers. Long-time period customers are extremely probably to purchase from you again and again ? as long as the first book they purchase is of distinctive quality and helpful to the customer.

Nevertheless, in case your book contains worthwhile ? and extra importantly NEW information, references, or techniques ? then you need to aim to cost it on the excessive end.

After you determine your purpose, it's essential to determine what your audience's want is in your ebook. For example, does your book remedy a particular drawback? If it does, and solves it in a means that hasn't been written about in one hundred different ebooks, you'll be in a position to

obtain excessive sales at a excessive price. If your e-book solves an issue or answers questions in a new and distinctive manner, it is best to worth your ebook as excessive as you possibly can go. You'll achieve larger income this way, but herald fewer customers. Simply ensure that the query or drawback that your e book solves is one which is essential and relevant to the vast majority of your market audience. If your ideas will not be widespread information, or you might be presenting a model new technique, you will be able to promote books at a excessive price. Just be prepared to your competition to undercut you on worth as quickly as they hear about your book.

Remember that the above pricing technique is temporary. Eventually, you will cease to promote books at this excessive price. So determine prematurely how lengthy you plan to supply your e-book at this excessive price, and when that point is up, change your pricing strategy.

If you wish to see massive profits over customer draw, goal for an audience that is looking for easy options to their issues at a low price. If your e book is aimed toward solving one particular problem fairly than basic advice, then you may cost more. Begin on the highest value the market will bear to usher in the largest profits, and plan to low cost the ebook a variety of times all through the year.

## Advertising Strategies

The important thing that unlocks the gross sales potential of your book is to discover a single sentence that turns into your selling handle. This sentence states what question or downside your guide solutions and the advantages your e book can provide. Then be sure to use that sentence in

every piece of sales and promotional material, and every time anyone asks you about your ebook.

Moreover promoting your books assiduously online, there are several different methods that may allow you to sell more books.

One is to present something away free of charge with your book, akin to a worthwhile bonus item. Or bundle a number of ebooks under one worth, which lowers the worth for each e book if they have been sold separately.

An effective technique for figuring out a worth is to ship out a survey to your present customers. If these clients have already bought an book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the brand new e-book, but don't embody a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with completely different costs on each page. Make sure that your gross sales copy is precisely the same on each web page, and contains your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum price is.

In the end, in the event you've written a ebook that solves a drawback or presents a new technique, your e book will bring in both site visitors and profits. So remember to write that selling-deal with sentence that sums up what downside your guide solves and what the benefits of your *Counter Points Study Guide* e-book will probably be to the purchasers who purchase it. And then watch your market come to you!
