If these prospects have already bought an e-book from you, ask for his or her opinion when it comes to price. Do this by making a sales web page for the brand new ebook, but don't embody a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by creating a variety of duplicate gross sales pages with different costs on every page. Make certain your sales copy is precisely the same on every web page,

and includes your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum value is.
