Do that by making a gross sales page for the new ebook, but do not include a worth on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with completely different prices on every page. Make certain your sales copy is strictly the identical on each web

page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum worth is.
