An efficient method for figuring out a worth is to send out a survey to your current customers. If these clients have already bought an ebook from you, ask for his or her opinion when it comes to price. As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with different prices on every page. Make sure your gross sales copy is precisely the identical on each page, and includes your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum worth is.

Ultimately, if you've written a e-book that solves a problem or presents a brand new approach, your guide will herald each traffic and profits.
