Do this by creating a gross sales web page for the brand new ebook, but do not embrace a value on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out costs by making a variety of duplicate sales pages with different costs on every page. Be certain that your gross sales copy is strictly the similar on every page,

and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. It will tell you what your optimum price is.
