price. Do this by creating a sales page for the brand new ebook, but do not embody a value on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Ensure that your gross sales copy is precisely the identical on each web page, and includes your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your website and sales of your book. This will tell you what your optimum price is.

Finally, for those who've written a guide that solves a drawback or presents a brand new approach, your e book will herald both site visitors and profits.
