price. Do that by creating a sales page for the brand new e book, however don't embrace a value on that page. As a substitute, add various links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out costs by making a variety of duplicate gross sales pages with totally different costs on each page. Make certain your gross sales copy is exactly the same on every web page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum price is.
