sales and promotional material, and every time anyone asks you about your ebook.

An efficient method for determining a value is to send out a survey to your present customers. If these clients have already bought an book from you, ask for his or her opinion in terms of price. Do this by creating a sales page for the brand new guide, but don't include a worth on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with totally different prices on each page. Make certain your sales copy is precisely the identical on each page, and contains your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum worth is.

Ultimately, in the event you've written a book that solves a problem or presents a brand new method, your e-book will bring in both site visitors and profits.
