## Advertising Strategies

The key that unlocks the sales potential of your book is to find a single sentence that turns into your selling handle. Moreover selling your books assiduously online, there are a number of different strategies that can

enable you to promote extra books.

One is to present something away free of charge with your ebook, akin to a beneficial bonus item. Or bundle several ebooks under one worth, which lowers the value for each e book if they have been offered separately.

An efficient method for figuring out a price is to ship out a survey to your current customers. If these customers have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the brand new e-book, but do not embody a value on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out prices by making a number of duplicate sales pages with different prices on every page. Be sure your sales copy is strictly the same on each page, and contains your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum price is.

Finally, should you've written a e book that solves a downside or presents a brand new technique, your book will herald both site visitors and profits. So remember to write that promoting-deal with sentence that sums up what problem your book solves and what the benefits of your 1248 e-book shall be to the purchasers who buy it.
