An effective approach for determining a worth is to send out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion by way of price. Do that by making a gross sales web page for the new ebook, but don't embrace a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by making a number of duplicate sales pages with different costs on every page. Be sure your sales copy is precisely the identical on each web page, and consists of your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum value is.

In the end, for those who've written a e-book that solves a drawback or presents a brand new method, your ebook will bring in each site visitors and profits.
