## Advertising Methods

This sentence states what query or drawback your e-book answers and the benefits your e-book can provide. Then you should definitely use that sentence in every piece of gross sales and promotional material, and every time anybody asks you about your ebook.

Besides promoting your books assiduously on-line, there are several different strategies that can allow you to sell extra books.

One is to offer something away without spending a dime together with your book, akin to a invaluable bonus item. Or bundle several ebooks below one price, which lowers the worth for each e-book in the event that they had been bought separately.

An efficient method for determining a worth is to ship out a survey to your present customers. If these customers have already purchased an e book from you, ask for their opinion when it comes to

price. Do this by making a sales web page for the brand new book, but do not embrace a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with different costs on every page. Be certain that your sales copy is exactly the identical on each page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum price is.

Finally, for those who've written a e book that solves a drawback or presents a new method, your e-book will bring in both visitors and profits. So remember to write that selling-handle sentence that sums up what problem your guide solves and what the advantages of your 1515 guide can be to the customers who purchase it. After which watch your market come to you!
