price. Do that by making a gross sales web page for the brand new e book, however don't include a worth on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out prices by making a variety of duplicate sales pages with completely different costs on each page. Be certain your gross sales copy is exactly the similar on every web page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum worth is.

Finally, if you've written a e book that solves a drawback or presents a new technique, your guide will usher in each traffic and profits.
