Marketing Strategies

The key that unlocks the sales potential of your e-book is to find a single sentence that becomes your selling handle. This sentence states what query or drawback your e-book answers and the benefits your book can provide. Then remember to use that sentence in every piece of sales and

promotional material, and every time anyone asks you about your ebook.

In addition to promoting your books assiduously online, there are a number of different strategies that may allow you to promote more books.

One is to present something away without spending a dime along with your e-book, such as a helpful bonus item. Or bundle a number of ebooks under one worth, which lowers the value for every e book if they were offered separately.

An effective technique for figuring out a value is to ship out a survey to your current customers. If these customers have already purchased an e book from you, ask for his or her opinion when it comes to price. Do this by making a gross sales web page for the brand new book, but do not embody a price on that page. Instead, add a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with different costs on every page. Be sure your sales copy is exactly the identical on every web page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. This will inform you what your optimum price is.

In the end, for those who've written a book that solves a drawback or presents a brand new approach, your e book will usher in both visitors and profits. So you'll want to write that selling-deal with sentence that sums up what downside your e book solves and what the benefits of your 1552 e book can be to the shoppers who purchase it.
