## Advertising Methods

The important thing that unlocks the sales potential of your ebook is to find a single sentence that turns into your selling handle. One is to give one thing away for free with your e-book, reminiscent of a helpful bonus item. Or bundle several ebooks beneath one worth, which lowers the worth for every e book if they were sold separately.

An efficient technique for determining a worth is to send out a survey to your present customers. If these customers have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the new e-book, but don't embrace a worth on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with different prices on every page. Be sure that your gross sales copy is precisely the same on each web page, and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum worth is.

Finally, should you've written a e-book that solves a drawback or presents a new technique, your e book will herald both site visitors and profits. So make sure you write that promoting-handle
