Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out prices by creating a number of duplicate gross sales pages with completely different costs on every page. Be certain your gross sales copy is exactly the identical

on each page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your website and sales of your book. This will inform you what your optimum worth is.

Finally, in case you've written a guide that solves a problem or presents a brand new method, your e-book will herald both site visitors and profits.
