One other technique is to test out prices by creating a number of duplicate gross sales pages with totally different prices on each page. Be sure that your sales copy is strictly the similar on every

page, and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum value is.

Finally, in the event you've written a e-book that solves a drawback or presents a new method, your book will usher in each site visitors and profits.
