Do that by making a gross sales web page for the new ebook, however don't embrace a price on that page. Instead, add a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out prices by creating a number of duplicate sales pages with totally different costs on each page. Make certain your gross sales copy is exactly the same on each web page, and consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum value is.

Ultimately, in case you've written a book that solves a problem or presents a brand new approach, your book will bring in each traffic and profits.
