by creating a gross sales page for the new ebook, but don't include a price on that page. As a substitute, add various links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out prices by creating a number of duplicate sales pages with different costs on each page. Ensure your sales copy is strictly the identical on each page, and contains your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum price is.
