Do this by making a gross sales page for the new e book, but do not embody a price on that page. As

a substitute, add numerous links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with completely different costs on each page. Ensure that your sales copy is exactly the same on each page, and includes your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. This will tell you what your optimum price is.

Finally, if you've written a e-book that solves a problem or presents a brand new technique, your book will bring in both site visitors and profits.
