The important thing that unlocks the sales potential of your e-book is to find a single sentence that turns into your promoting handle. An effective technique for determining a value is to ship out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the new ebook, but don't embody a value on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by creating a number of duplicate gross sales pages with different costs on every page. Ensure that your sales copy is strictly the identical on each web page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum worth is.

Finally, if you happen to've written a e-book that solves a downside or presents a brand new

technique, your ebook will usher in both site visitors and profits. So make sure to write that promoting-deal with sentence that sums up what downside your guide solves and what the benefits of your 2111 book will be to the shoppers who purchase it. And then watch your market come to you!
