An efficient method for determining a value is to send out a survey to your present customers. If these prospects have already purchased an book from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the brand new e book, but do not embrace a price on that page. Another strategy is to test out prices by creating a variety of duplicate gross sales pages with totally different costs on each page. Make certain your gross sales copy is strictly the identical on each page, and includes your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum value is.
