Do that by creating a gross sales page for the new guide, however don't include a value on that page. Instead, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with completely different costs on every page. Be certain that your sales copy is precisely the similar on each web page, and contains your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum price is.

Ultimately, when you've written a e book that solves a problem or presents a brand new approach, your ebook will usher in both visitors and profits.
