An efficient technique for figuring out a value is to ship out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by creating a sales page for the new e book, but don't embody a value on that page. As a substitute, add numerous links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Ensure your gross sales copy is precisely the identical on each web page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum value is.

Ultimately, in case you've written a book that solves a drawback or presents a brand new technique, your guide will usher in both traffic and profits.
