One other technique is to test out prices by making a variety of duplicate gross sales pages with completely different prices on each page. Be sure that your sales copy is precisely the same on

every page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This will tell you what your optimum price is.

Finally, if you happen to've written a guide that solves a downside or presents a new method, your guide will bring in each traffic and profits.
