Do that by making a gross sales page for the new guide, however do not include a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with totally different costs on every page. Make certain your gross sales copy is strictly the same on

each web page, and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum worth is.

Ultimately, for those who've written a book that solves a problem or presents a new technique, your book will herald both visitors and profits.
