Instead, add a variety of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with completely different prices on every page. Ensure your gross sales copy is exactly the identical on

each page, and contains your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. This can let you know what your optimum value is.

Finally, in the event you've written a book that solves a problem or presents a new technique, your ebook will usher in each traffic and profits.
