Do that by making a gross sales web page for the brand new ebook, but don't embody a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out costs by making a variety of duplicate sales pages with totally different costs on every page. Make certain your gross sales copy is precisely the identical on each

page, and contains your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum worth is.

Ultimately, for those who've written a e-book that solves a problem or presents a new approach, your e-book will bring in both site visitors and profits.
