Instead, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with different costs on every page. Make sure your sales copy is exactly the similar on every page, and contains

your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and sales of your book. This will let you know what your optimum price is.

In the end, for those who've written a e-book that solves a downside or presents a brand new approach, your book will herald both site visitors and profits.
