An effective approach for figuring out a worth is to ship out a survey to your present customers. If

these customers have already purchased an e-book from you, ask for their opinion in terms of price. Do this by making a gross sales web page for the new guide, but do not embody a price on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out costs by making a number of duplicate sales pages with totally different prices on each page. Ensure your sales copy is strictly the similar on each page, and consists of your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum value is.

In the end, if you happen to've written a e-book that solves a downside or presents a brand new method, your guide will herald both traffic and profits.
