However, in case your guide contains useful ? and more importantly NEW info, references, or techniques ? then it's best to goal to price it on the excessive end.

After you figure out your purpose, you need to work out what your audience's want is on your ebook. For instance, does your e book remedy a specific drawback? If it does, and solves it in a approach that hasn't been written about in 100 different ebooks, you will be in a position to achieve high sales at a excessive price. In case your ebook solves a problem or answers questions in a brand new and unique method, you should price your ebook as excessive as you can go. You will achieve bigger income this fashion, but bring in fewer customers. If you wish to see massive income over customer draw, purpose for an viewers that's on the lookout for easy options to their issues at a low price. Start at the highest worth the market will bear to herald the largest income, and plan to discount the e book a variety of occasions throughout the year.
