As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with completely different prices on each page. Make sure your gross sales copy is strictly the similar on

each web page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and gross sales of your book. This can tell you what your optimum value is.

In the end, in case you've written a guide that solves a downside or presents a new approach, your e-book will herald each traffic and profits.
