One other technique is to test out prices by making a number of duplicate gross sales pages with completely different prices on each page. Be sure your gross sales copy is strictly the identical on every web page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum price is.

Finally, should you've written a ebook that solves a problem or presents a brand new approach, your guide will usher in each traffic and profits.
