An efficient technique for determining a value is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do this by making a sales web page for the brand new guide, but do not embody a worth on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with different costs on every page. Make sure that your gross sales copy is exactly the identical on every page,

and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum worth is.

Ultimately, should you've written a ebook that solves a problem or presents a brand new technique, your e-book will usher in both traffic and profits. So be sure you write that selling-handle sentence that sums up what downside your e-book solves and what the benefits of your 381 book shall be to the purchasers who buy it.
