An effective method for determining a worth is to ship out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for his or her opinion in terms of

price. Do that by making a sales web page for the new e book, but don't embrace a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out costs by creating a number of duplicate sales pages with completely different prices on every page. Be sure your sales copy is exactly the identical on every web page, and includes your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This may let you know what your optimum price is.

Finally, should you've written a e book that solves a downside or presents a brand new method, your ebook will bring in each traffic and profits. So you should definitely write that selling-handle sentence that sums up what problem your guide solves and what the advantages of your 442 e book might be to the customers who buy it.
