As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Make certain your gross sales copy is strictly the similar

on every page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum price is.

Finally, in the event you've written a book that solves a drawback or presents a new method, your guide will usher in each visitors and profits. So you should definitely write that promoting-handle sentence that sums up what drawback your e book solves and what the benefits of your 450 book will be to the customers who purchase it.
