Do that by creating a sales page for the new e-book, however do not include a price on that page. As an alternative, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with completely different prices on every page. Be sure that your gross sales copy is exactly the identical on every page, and consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. This can tell you what your optimum value is.
