An effective approach for determining a worth is to ship out a survey to your present customers. If these customers have already bought an e-book from you, ask for their opinion by way of price. Do this by making a gross sales page for the new ebook, but don't include a value on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with totally different costs on every page. Be sure your sales copy is exactly the same on every web

page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum price is.

Ultimately, for those who've written a ebook that solves a drawback or presents a brand new technique, your guide will bring in each traffic and profits.
