price. Do that by creating a gross sales web page for the new e book, however do not include a price on that page. As an alternative, add numerous links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Be sure your gross sales copy is precisely the same on every page, and consists of your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum worth is.

In the end, in case you've written a e book that solves a drawback or presents a brand new approach, your guide will usher in both visitors and profits.
