Advertising Methods

The important thing that unlocks the sales potential of your ebook is to find a single sentence that becomes your promoting handle. This sentence states what query or problem your book answers and the advantages your e book can provide. Then make sure you use that sentence in each piece of gross

sales and promotional materials, and every time anyone asks you about your ebook.

One is to give something away without cost with your e book, resembling a worthwhile bonus item. Or bundle several ebooks underneath one value, which lowers the price for every ebook in the event that they have been offered separately.

An efficient technique for figuring out a value is to ship out a survey to your current customers. If these customers have already purchased an ebook from you, ask for their opinion when it comes to price. Do that by creating a sales page for the new book, but do not include a worth on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate gross sales pages with different costs on every page. Be sure that your gross sales copy is precisely the similar on each web page, and includes your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum worth is.

Finally, if you happen to've written a ebook that solves a downside or presents a new method, your guide will usher in both visitors and profits.
