problem rather than basic recommendation, then you may charge more. Start on the highest value the market will bear to usher in the largest profits, and plan to discount the ebook a variety of instances all through the year.

price. Do that by making a gross sales page for the brand new ebook, however don't embody a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with different prices on every page. Be sure that your gross sales copy is exactly the identical on each web page, and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum worth is.

Finally, when you've written a e book that solves a downside or presents a brand new method, your e-book will bring in both visitors and profits.
