Do that by making a sales web page for the brand new book, but do not include a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with totally different costs on each page. Ensure that your sales copy is exactly the identical on each page, and

includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum value is.

Ultimately, if you happen to've written a guide that solves a problem or presents a brand new technique, your guide will herald both traffic and profits.
