Do that by creating a gross sales page for the new guide, however do not embody a price on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out prices by creating a number of duplicate sales pages with totally different prices on each page. Make certain your gross sales copy is precisely the identical on every page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum price is.
