Do that by making a sales web page for the new ebook, however do not include a worth on that page. Instead, add a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with different costs on every page. Ensure your sales copy is exactly the same on every page, and

contains your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum worth is.

In the end, if you've written a guide that solves a drawback or presents a brand new approach, your ebook will bring in both traffic and profits.
