But the fact that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books which have the flexibility to change, or presumably transform, folks's lives.

What do you think an idea is worth when evaluated against the cost of paper and ink?

It is the IDEAS which are beneficial! That's how you determine the price of your ebook.

What ought to I cost for my ideas?

There are all completely different formulas and strategies for determining the proper value on your ebook. Let's start with honing in on your ultimate goals.

Decide if your aim is to get extensive distribution and maximum exposure. This aim is aimed toward drawing customers to your online business or service, or to establishing the credibility of your reputation. Nevertheless, in case your e book contains invaluable ? and extra importantly NEW data, references, or techniques ? then you should goal to cost it on the high end.

After you figure out your goal, you need to determine what your audience's need is on your ebook. For example, does your e book clear up a selected drawback? If it does, and solves it in a means that hasn't been written about in one hundred different ebooks, you can be capable of obtain high gross sales at a excessive price. If your guide solves an issue or answers questions in a brand new and distinctive approach, it is best to price your e-book as high as you possibly can go. Just be prepared in your competition to undercut you on price as quickly as they hear about your book.

Take into account that the above pricing technique is temporary. Ultimately, you will stop to sell books at this high price. So work out in advance how lengthy you plan to offer your e-book at this excessive worth, and when that point is up, change your pricing strategy.

If you wish to see massive earnings over customer draw, aim for an viewers that is on the lookout for simple options to their problems at a low price. Do this by making a sales page for the brand new e-book, however don't embrace a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out costs by making a variety of duplicate sales pages with completely different prices on each page. Make sure your sales copy is strictly the same on every

page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. It will let you know what your optimum value is.

Finally, if you've written a e book that solves a downside or presents a new technique, your guide will herald both traffic and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your ebook solves and what the benefits of your 722 e book can be to the purchasers who purchase it.
