Do that by making a sales web page for the brand new e-book, however do not embrace a value on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with completely different prices on every page. Ensure your sales copy is precisely the same on each

page, and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum price is.

In the end, if you happen to've written a e book that solves a problem or presents a brand new approach, your guide will usher in both traffic and profits.
