substitute, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with different prices on every page. Be sure that your gross sales copy is strictly the same on every web page, and includes your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This will tell you what your optimum worth is.
