An efficient method for determining a value is to send out a survey to your present customers. If these prospects have already bought an e-book from you, ask for his or her opinion by way of price. Do that by making a gross sales page for the new e book, however don't embody a value on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out costs by making a number of duplicate sales pages with different costs on each page. Be sure your sales copy is exactly the identical on every web page, and contains

your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum worth is.

Ultimately, when you've written a e-book that solves a drawback or presents a brand new technique, your e-book will herald each visitors and profits.
