Nevertheless, in case your book accommodates invaluable ? and extra importantly NEW information, references, or methods ? then it's best to goal to cost it on the high end.

After you figure out your goal, you will need to work out what your audience's need is in your ebook. For example, does your guide remedy a selected drawback? If it does, and solves it in a method that hasn't been written about in 100 other ebooks, you may be able to obtain high gross

sales at a excessive price. In case your guide solves a problem or answers questions in a brand new and unique means, it's best to worth your book as high as you'll be able to go. Begin at the highest price the market will bear to herald the largest income, and plan to discount the guide a number of times all through the year.
