Do that by making a sales web page for the new e book, however do not include a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by making a variety of duplicate sales pages with totally different prices on every page. Ensure your gross sales copy is precisely the identical on every page, and includes your promoting-handle sentence. Then work out for each web page the conversion

ratio between guests to your web site and gross sales of your book. This may let you know what your optimum price is.

Ultimately, should you've written a e book that solves a drawback or presents a new approach, your e-book will herald both site visitors and profits. So be sure to write that selling-deal with sentence that sums up what problem your e-book solves and what the benefits of your 940 e-book might be to the shoppers who purchase it.
