An efficient method for determining a worth is to ship out a survey to your present customers. If these customers have already purchased an e-book from you, ask for their opinion when it comes to price. Do that by making a gross sales web page for the brand new e book, but do not embody a price on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by creating a variety of duplicate sales pages with different costs on each page. Ensure your sales copy is precisely the identical on every web page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This may let you know what your optimum value is.

Finally, should you've written a book that solves a problem or presents a brand new method, your book will usher in each site visitors and profits. So be sure you write that selling-handle sentence that sums up what downside your e-book solves and what the benefits of your 969 ebook will be to the customers who buy it.
